Family Worship & Sunday School

Dad & Mom are God's #1 choice for passing the Christian faith to children. We want to help you to be effective.

All children Sunday School classes (ages 2-11) studied lessons from the same passage of Scripture this morning. Below is information about those lessons. While all classes studied this same passage, individual class lessons were geared to the specific age level of the class.

Use these suggestions during your family worship times this week. Spend time talking with your children about what they learned and how it impacts *your* life and theirs.

- Title:** God Ordains the Passover
- Passage:** Exodus 12–13
- Principle:** God is merciful and sovereign.
- Prompt:** Ask your child these questions:
- What was God's final judgment on Egypt?
 - Did Pharaoh let the Israelites go?
 - What do Jews remember when they celebrate Passover?
 - Who is the Passover lamb for Christians?
- Practice:** Help your child apply these truths in the following ways:
- By praising God for His awesome power and mercy.
 - By trusting Christ as the final Passover lamb.
 - By telling others about Christ's death for sin.
- This Week:** As a family, read Exodus 12–13.
- Next Week:** Exodus 14–15

Missionaries to Wales

Update: Holywell

Greetings from Holywell, Wales! We have great news that the UK Home Office approved our “indefinite leave to remain” in the UK at the end of April! This is a huge milestone for us and we have been working toward it for the past 5 ½ years. Effectively, this is a permanent visa for us to remain and minister here in Wales. Practically, it means that we can come back to report without concern of losing our visa status (for reasonable periods of time).

On a financial level it means that we are now free from paying recurring visa fees, including insurance premium charges (pray for the missionaries who are still in that situation; there are a number). This also means that we are no longer a responsibility of Temple Baptist Church in Wolverhampton, England. We are very grateful to them for having the vision to sponsor us into the UK. It has enabled us to accomplish all that we have over the past nearly 6 years and, with the Lord's help, made possible what we will be able to continue to do into the future. With our visas in hand – now it is back to work. We had 10 children come to our Easter Children's outreach. Our continuing desire is to use this as a springboard to a weekly Sunday School or Bible club for elementary school-aged children.

Please be in prayer for our next Children's Craft Time which will be held on June 2nd. Pray for good weather as we promote it on the High Street. We have taken a few weeks to study the cults which come to your door for our mid-week Bible study. Most Christians here do not know what these cults are about and the lies they are propagating. It is good to see people growing in their knowledge of the Bible through this. We are indebted to Pastor Aylestock who visited in April for sharing that we need to leave the Mormons reachable when they return home. The heart with which we confront them is crucial.

George (from Romania) continues to come and learn. We will be speaking to him more about his salvation (he has a good testimony) and church membership. So many in this culture never make the commitment to joining churches – this leads to weak Christians and weak chapels and is not God's plan for us.

continued in next week's bulletin...
