Family Worship & Sunday School

Dad & Mom are God's #1 choice for passing the Christian faith to children. We want to help you to be effective.

All children Sunday School classes (ages 2-11) studied lessons from the same passage of Scripture this morning. Below is information about those lessons. While all classes studied this same passage, individual class lessons were geared to the specific age level of the class.

Use these suggestions during your family worship times this week. Spend time talking with your children about what they learned and how it impacts *your* life and theirs.

- Title:** God Reveals His Goodness to the Jews
- Passage:** Ezra 7–10
- Principle:** Believers repent when they see God's goodness and their sin.
- Prompt:** Ask your child these questions:
- How did God reveal His goodness to Ezra?
 - What attributes of God are found in Ezra's prayer?
- Practice:** Help your child apply these truths in the following ways:
- By studying, obeying, and teaching God's Word.
 - By confessing your sin and changing your actions.
- This Week:** As a family, read selected portions of Ezra 7–10.
- Next Week:** Nehemiah 1:1–4:23; 6:15–16
