Family Worship & Sunday School

Dad & Mom are God's #1 choice for passing the Christian faith to children. We want to help you to be effective.

All children Sunday School classes (ages 2-11) studied lessons from the same passage of Scripture this morning. Below is information about those lessons. While all classes studied this same passage, individual class lessons were geared to the specific age level of the class.

Use these suggestions during your family worship times this week. Spend time talking with your children about what they learned and how it impacts *your* life and theirs.

Title: God Calls Joshua to Be His Servant

Passage: Joshua 1:1–9

Principle: God requires believers to live as His servants.

Prompt: Ask your child these questions:

- What did God command Joshua?
- What did God promise Joshua?
- How did God fulfill His promise to give Israel the Promised Land?

Practice: Help your child apply these truths in the following ways:

- By being strong and courageous in serving God.
- By memorizing and meditating on God's Word.

This Week: As a family, read Joshua 1:1–9.

Next Week: Joshua 2

Mid-Year Missions Thank You's!

Thank you for all of the love, friendship, and encouragement that you gave to us this past Sunday night. Thank you for praying for Rebecca & I at the close of the service - it was very meaningful and greatly appreciated. Thank you also for the generous \$300 love gift. May God grant you the spirit of wisdom in great measure as you seek to rescue the lost in the South Riding area. May God open new doors for you all everyday - and may God reveal to you the exact way he would like to bring in an earth-shaking awakening to the people of your community. May God bless you all above measure! P.S. Thanks for showing my children what it looks like when a church family comes together in united prayer.

*With love & thanks,
The Lantz Family*

It was such a joy and encouragement to be with you dear people. Thank you for being so good to me during my stay. May the Lord bless you for your vision for missions abroad and here in Virginia.

*In His Service,
Michelle Geiger*

Just a few words to say a special THANK YOU for your regular support and for the special offerings, \$100 & \$500. We are grateful to the Lord for good churches like you all, which pray for us and encourage us and help us stay on the field. May the Lord bless you all richly!

Pete & Joy Raymond

Words cannot express the gratitude we have in the special weekend you provided for our family at your mid-year missions booster. We both truly felt spoiled. From the wonderful meals out, the generous spending money for shopping, the truly friendly church family, and the wonderful time of fellowship, our family was encouraged and energized to continue the work of the Lord. Thank you for being such a true example of love and grace!

Joanna and I want to thank all of you for loving on us and blessing us so completely this past weekend. We love you folks and enjoyed the opportunity to spend time together with so many of you. Your faithfulness and generosity are humbling.. We are privileged to be partnered with you to reach Greeks for Christ. Thank you for the generous love gift and the extra blessing of the shopping trip for Joanna. We look forward to sharing in God's continued blessings with you!
