Christmas Outside the Box

In our culture, Christmas and giving go together. After all, the 1st Christmas celebrated God's gift to us. This year, consider welcoming into your "gift list" some missionary ministries. Updates to the Christmas...Outside Your Box brochure have been emailed periodically. Pray about which missionary projects you can include this year. There are also some brochures on the coffee bar.

Missionary Report

Missionary Report

Missionaries to Nicaragua

It never ceases to amaze both Sandy and I just how the Lord works. In the months of September and October, both churches (Iglesia Bautista Palabra de Vida and Iglesia Bautista Redención) have had more and more visitors come to the church services. In one service alone, Iglesia Bautista Palabra de Vida had five (5) first time visitors. The congregations of both churches are seeing more and more the vision of getting the lost to come and hear the gospel.

Our missionary, Brother Jordi, asks your prayers for Don Joaquín that he will be saved. The church continues to grow, but many more need to be saved.

Sandy has been a huge help in teaching the children's Sunday School in the Iglesia Bautista Redención. The children love her and each week new children come.

We also praise the Lord because in this month of October, with the Lord's help, we have begun the work of a new church in the neighborhood named "Los Manguitos." We had our first church service on Sunday October 1. Above are some of the pictures of that church service. The Lord has led us to this neighborhood, and we have been actively visiting and preaching in the street. What a blessing it is to see the beginning of a new church. Please pray for Los Manguitos. There are many lost who need to be saved. Thank you for your prayers and support.
