We have opportunities to be involved in being a Pack Leader for this summer's VBS. We also still need help with craft preparation and meal preparation. If you are interested in learning more, complete a volunteer registration card today. Please visit Jonathan/Anne Simpson at their table in the Fellowship Hall if you are interested in helping or just want more information.

Family Worship & Sunday School

Dad & Mom are God's #1 choice for passing the Christian faith to children. We want to help you to be effective.

All children Sunday School classes (ages 2-11) studied lessons from the same passage of Scripture this morning. Below is information about those lessons. While all classes studied this same passage, individual class lessons were geared to the specific age level of the class.

Use these suggestions during your family worship times this week. Spend time talking with your children about what they learned and how it impacts *your* life and theirs.

- Title:** Elijah Chooses Elisha
- Passage:** 1 Kings 19
- Principle:** God has wonderful plans for our lives
- Prompt:** Ask your child these questions:
- How was God preparing Elisha to be a prophet?
 - How did Elijah show God's calling to Elisha?
- Practice:** Help your child apply these truths in the following ways:
- Allow God to work in our lives
 - Be faithful in the things God has given us to do now
- This Week:** As a family, read selected portions of 1 Kings 19.
- Next Week:** 2 Kings 2:1-11

Missionaries to Ecuador

"Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:" – Mateo 7:7. With that promise, we continue praying for the Lord to provide for our trip to Africa. Thank the Lord, He has provided more than 2/3 of the total cost. Please keep praying.

The Lord has been dealing with our church about soul winning. He has been giving us the joy of leading people to Christ as we knock on doors sharing the precious Gospel every week. We are also finding new deaf people to reach. Praise the Lord Josh, Sonia Poss and children, missionaries from our church back in Jefferson City, Missouri came to work with us for almost 4 years. They became part of our team in Ecuador. They learned Spanish, Ecuadorian Sign Language and were involved in different areas of ministry in our church. It was a blessing to work with them. Josh took my place when we were on furlough for almost 8 months in 2017. They are back in America doing furlough and raising additional support to plant a new church in Ecuador. May the Lord continue to use them for His glory. Thank you Josh, Sonia and children. Our church had a sweet farewell fellowship for them.

Alexandra, a deaf lady, had a great burden for his hearing brother Luis, who has been on drugs and is now in a rehab center. Alexandra asked us to witness to him. Luis received the Lord, and as we shared the precious Word of God, he said "The Bible has an answer for everything." Amen.

It was a blessing to have a group of 13 people, mostly students from PCC. They all came with a willingness to learn, help and get involved in our daily activities serving the Lord. After school, we went out soul winning 3 afternoons. The Lord gave us 25 souls. Praise God. As we witnessed, we were also looking for new deaf people, we found 3. Two of them are 9 and 11 years old girls who know no Sign Language and have no communication skills. We offered our help. Lizette the mom of one of the girls, Renata, brought her daughter to our school and shared that she had Renata in other schools since she was 18 months old; she is 11 now and can not even communicate with her mom. We let her experience learning in Sign Language. Renata is so happy and already started learning. Lizette said, "I have not seen my daughter this happy in a long time." My wife had the joy of leading Lizette to the Lord. We have a wonderful Savior who loves us so much.

Thank you so much for praying and giving. Please continue to do so; there are still many people to reach.
