

Here's the "BLUF" (bottom line up front) – *His Word is amazingly powerful! Trust it. Read it. Use it in the rearing of your family. Use it to counsel (give advice) to friends. Use it to evangelize the lost.*

Our series has brought us to the fulfillment of an age-old promise – "I will come to earth again!" *And return He did!* The battle that will ensue when the King shows up after being gone for over 2,000 years will be settled with one word from His mouth – a word whose power is likened to a sharp sword.
