

Is man's problem *inside* or is it *outside*? Inner corruption of his person or the culture around him?

Here's the "BLUF" (bottom line up front) – without your name in God's *Book of Life*, well, let's just say it won't be pretty!

I. Man's Greatest _____ v. 7-10

At this point in our series, we are at the conclusion of a 1,000 year utopia-like reign of Jesus Christ on this earth. His presence (and the absence of Satan) has resulted in an amazing political system, ecological world, animal kingdom and religious devotion – all globally experienced!

Yet man's sinfulness manifests itself in open rebellion!

II. Man's Final _____ v. 11-14

Revelation 20:11 & 2 Peter 3:10-12 – total destruction of this world.
Revelation 21:1 & 2 Peter 3:13 – creation of a new heaven & earth.

1. Judge v. 11

2. Guilty v. 12a & 13a

The unsaved from all ages are summoned to God's throne. This is the "2nd Resurrection" (2nd kind of resurrection – that of the lost) – Revelation 20:5a.

3. Evidence v. 12b & 13b

Your life...all documented. And you were concerned about NSA?

4. Sentence v. 14

This is...forever...the second death!
