

A Dad Who is There!

There is no doubt – children need both parents in their lives! Without them, a child suffers a double-sided loss. 1st – the loss of a parent's love. 2nd – the loss of a knowledge of the character of God. What is a child to do? Find in God a parent's love – Psalm 68:4-5!

A great character trait of God as a Father is this – God is a dad who is there! Matthew 28:20; Psalm 139:1-12; James 4:8; Matthew 11:28; Deuteronomy 31:6
