

What is involved in walking away from Christianity?

B.L.U.F. (Bottom Line Up Front): *You have a choice you cannot afford to be wrong about!*

v. 23 – "offended" (skandalizo) = to trip, cause to stumble.

- Bad things happen to good people?
- You prayed but didn't get what you wanted?
- You don't feel God's presence?
- The Bible doesn't square with science?

Three important lessons:

1. Good People _____ v. 19-20

Doubt is a part of trying to believe.
Doubt is not denial (but can lead to it).

2. God Supplies _____ v. 21-22

Here are the references in John's Bible that matched Jesus' ministry accomplishments:
Isaiah 26:19; Daniel 12:2; Isaiah 35:1-6; Isaiah 61:1-3

3. You Have a _____ v. 23

Doubt will take you in one of two places:
1) You will stumble over your doubts, or
2) You will not stumble over your doubts.
