

Are you a savvy shopper? Do you balance the cost to value? What does it cost to fulfill Jesus' Kingdom mandate – to “make disciples...”?

B.L.U.F. (Bottom Line Up Front): *Being on Jesus' team is worth the cost!*

1. A Big “If” v. 23a

Do people want to come to Jesus and follow Him? Galileans had heard His teaching & preaching about sin & repentance. They had heard His invitation to come and follow Him.

But who really wants Jesus?
Who wants to follow Him?

2. God's Plan for Saving Discipleship v. 23b

- 1) Grasp the Reality About Yourself
Luke 18:13-14; 5:8; Romans 3:10-19
- 2) Die to You
- 3) Follow Jesus

3. Why Such a Radical Plan Makes Sense v. 24-26

- 1) It Will Rescue You from Eternity Separated from God – There is Value in Sacrifice
- 2) It Will Advantage You for All Eternity – There is Value in Service
- 3) It Will Bring Reward Rather Than Shame on Judgment Day – There is Value in Acceptance

It is Worth the Cost!
