

Skinheads, KKK, Black Lives Matter, White Supremists...hatred erupts in Charlottesville. Around the world people groups are hating other people groups. Their sin is rampant and as a result, they have no compassion on those who are "different" from themselves.

Here's the "BLUF" (bottom line up front) – *Godly compassion is blind to the differences amongst human beings.*

Two subjects for our meditation:

1. The _____ Stems from _____ 24:12

2 Timothy 3:1-5 – A cooling of compassion is a key characteristic of the last days & Tribulation Period.

2. The _____ Stems from _____ 24:14

"all the world" and "unto all nations" – God sees one human race.

America's problems revolving supposed "races" were created by atheistic, evolutionists back in history. Genetic research is bringing people *back to the Bible!*

Revelation 5:6-14

God's answer to racism is TRUTH – He created ONE human race, died for ONE human race, and pours out His compassion on ONE human race. Heaven will be ONE redeemed human race worshipping the Lamb who redeemed us out of "every tongue, people and nation."
