

Our story comes at a decisive time in the history of the O.T.:

- Exodus from Egypt (Exodus) – **Delivered by God (salvation)**
- Building the Tabernacle (Exodus) – **Place to Meet God**
- Receiving the Law (Leviticus) – **How to Walk with God**

We learn of a.....

- Mission Borne out of Doubt – Numbers 13:1-24
Exodus 15:15-18; Deuteronomy 1:19-21; 1:22-28; Numbers 13:1-3
- Report that Revealed Abundance – Numbers 13:25-33
- Sin Called Unbelief – Numbers 14:1-10
- Judgment Called “Death” – Numbers 14:11-39
- Repentance that was Too Late – Numbers 14:40-45

Step up to the plate at critical times!

There are four lessons you need to learn from this story:

1. There Are Times of Critical _____ That Shapes God's Work

...it all came down to one critical decision at Kadesh-barnea.
Trusting God is an active thing...involving action & risk.

2. Influential People must Step Forward to Create a _____ for Others to Follow

Numbers 13:1-2 – sending spies God's idea?
Deut. 1:28 – a moral condition at the root of the people's heart.
So God sends spies...leaders who can cast vision & influence.

3. Everyone _____ or _____ as a Result of Listening to Influential People

Ten men, a generation & two men.

One big push! Will you pray?

Purpose – a spiritual growth capital campaign producing finances to finish the second storey of our facility.
