

Jesus masterfully crafted the conversation, questions and illustrative story around one purpose – enable this man to see himself as God saw him. Jesus wanted this man to face the reality that he had fallen short of God's glory. Only then can a person flee to the Savior for salvation.

This was Jesus' style of witnessing. Let's look at the theology behind this style of presenting the gospel.

B.L.U.F. (Bottom Line Up Front): *Jesus' style of witness is based on the purpose of the law.*

1. Purpose of the Law & the Answer of Grace

- 1) The Law Offers Salvation – Exodus 19:5-8
- 2) Grace Delivers Salvation – 1 Peter 2:1-10

2. Power of the Law to Produce Guilt

- 1) The Law Curses the Offender – Galatians 2:6-29
- 2) The Law Leaves a Man Guilty – Romans 3:9-31
