

What is the *Lord's Supper* all about? It seems like a strange thing we Christians do – get all worked up over eating a morsel of bread and drinking a thimble of juice????

B.L.U.F. (Bottom Line Up Front): *God's greatest memory tool triggers emotion about God's greatest expression of love.*

2. B the Passover & Into the Church

This transformed Passover is now *much bigger!* We look back to Calvary instead of Egypt.

In 1st Corinthians 11:23-28 we learn that this transformed Passover meal will involve:

- 1) a time of examination – are we living in obedience? v. 27-28
- 2) a time of remembrance – how much God loves us! v. 23-25
- 3) a time of declaration – we trust Jesus for our salvation. v. 26a
- 4) a time of anticipation – Jesus is coming again! v. 26b

This is bigger than ever!
