Genesis 2:18-25

Our Team Co-Captain

"Not everyone believed that the family was so oppressive that women could only thrive apart from it....I sometimes think...liberals are...angry because they believed the grandiose promises of the liberation movements. They're disappointed because most women do not wish to be liberated from their essential natures as women. Most of us love being mothers and wives, which gives our lives a richness that few men or women get from professional accomplishment alone." – Marilyn Quayle, wife of the former Vice President, in a speech delivered to the Republican National Convention (Houston, Texas) on August 19, 1992.
